Global Watch Weekly Report

Welcome to the Global Watch Weekly Report (GWW)

Dear Global Watch Weekly (GWW) Member

Unfortunately one of the most incredible passages of scripture found in the revelation of the apostle John, whilst he was held captive on the island of Patmos, has been robbed of its true heritage.

It is absolutely amazing that most people are lulled into believing that Pope Francis or some future Pope (should time tarry) will be the fulfilment of the biblically mentioned last days False Prophet who will accompany the Antichrist. Many teach that whereas the Antichrist will be a political leader the False Prophet will be his religious leader.

We can clearly see that Pope Francis is making a massive push for ecumenical and global religious unity. More so than previous popes. But does this make him the False Prophet?

Does Revelation 13 really talk about an interfaith agenda and a push for global religious unity?

Stop and think about this for a while. I know you will probably say we need to look at Revelation 17 because there it makes mention of a *City of Seven Hills* and is referring to Mystery Babylon religion which according to Hislop's "*Two Babylons*", permeated the Roman Church during the time of ancient Rome.

But that's our point. Revelation 17 is talking about one thing and Revelation 13 is talking about another.

We are literally amazed that the majority of people have fallen for the "Vatican/Pope is the prophesied False Prophet" without actually evaluating whether this really makes scriptural sense.

In this edition of the Global Watch Weekly we are going to present a pretty strong argument against this long assumed position and assert a minority position that the individual mentioned in Revelation 13:13 is not representing religion. Instead we believe he is representing occult technology or miracle working advanced forms of technology that border on the supernatural.

We believe that this individual known as the False Prophet will actually be a technological leader. But not just any technological leader like a Bill Gates or Steve Jobs.

Please ensure you read this whole edition. Do not jump to conclusions about what we are saying until you read our position and read our arguments and understand why the long accepted majority view has significant weaknesses in its position.

Maybe next time you see or hear someone talking about this topic you forward this edition to them to help provide some insight that maybe they never considered.

Hope you enjoy.

Rema Marketing.

THE FALSE PROPHET OF REVELATION 13:13

THE FALSE PROPHET FEVER

In 2013 when Pope Ratzinger stepped down as Pope to be replaced by Pope Francis, there were several prominent Christian authors who released books affirming that according to a Catholic prophecy known as the *prophecy of St Malachy*, that Pope Francis would be the final pope who would lead the Roman Catholic Church into a time of great tribulation and apostasy.

Some of the authors (not all) then went on further to claim that Pope Francis would be the fulfillment of the prophesied False Prophet mentioned several times in the apocalypse of John.

However we find it strange that so many people have jumped to the conclusion that the final pope will be the False Prophet of Revelation 13. Whilst we are not questioning the validity of St Malachy's prophecy of *the succession of the popes*, it is certainly interesting to see the sweeping fever across the internet assigning the title of "False Prophet" to Pope Francis.

Note we are not arguing about Pope Francis interfaith and ecumenical agenda which is clearly obvious to see, but more arguing against the belief that this then makes him the biblical False Prophet referenced in Revelation 13.

I am going to repeat this again.

We are not arguing about Pope Francis interfaith and ecumenical agenda which is clearly obvious to see, but more arguing against the belief that this then makes him the biblical False Prophet referenced in Revelation 13.

So in this article Rema Marketing wanted to explain to you from a biblical perspective the origin of prophesied False Prophet. By the end of this article you then have to make a decision as to whether the mainstream position can really be justified.

REVELATION 13: THE ORIGIN

Revelation 13 is one of the most profound bible passages in the area of Bible Prophecy because it identifies two characters that will play a significant and influential role in a climatic phase that precedes the literal Second Coming of Christ.

"Then I stood on the sand of the sea. And I saw a beast rising up out of the sea, having seven heads and ten horns, [and on his horns ten crowns, and on his heads a blasphemous name. 2 Now the beast which I saw was like a leopard, his feet were like the feet of a bear, and his mouth like the mouth of a lion. The dragon gave him his power, his throne, and great authority. 3 And I saw one of his heads as if it had been mortally wounded, and his deadly wound was healed. And all the world marveled and followed the beast. 4 So they worshiped the dragon who gave authority to the beast; and they worshiped the beast, saying, "Who is like the beast? Who is able to even makes fire come down from heaven on the earth in the sight make war with him?" 5 And he was given a mouth speaking great things and blasphemies, and he was given authority to continue for forty-two months." Revelation 13:1-5

This first beast has been identified by many bible prophecy researchers to be the coming Antichrist, a one world dictator. There is debate as to who he is and where he arises.

The historical and traditional belief is that he arises out of the confines of the old Roman Empire, which would be present day Europe or some believe out of the Middle East or North Africa which were also part of the old Roman Empire. Still others believe he arises out of the USA.

The 42 months of world control mentioned here also ties into Daniel 7:25 which confirms that the scale of this dictators seizure of global power will be a "time, times and half a time" which is the old King James English for simply saying 3 1/2 years which equates to 42 months.

THE FALSE PROPHET OF REVELATION 13:13

For the purposes of this report it is Revelation 13:11 that becomes of even more interest because it introduces a second person.

“11 Then I saw another beast coming up out of the earth, and he had two horns like a lamb and spoke like a dragon. 12 And he exercises all the authority of the first beast in his presence, and causes the earth and those who dwell in it to worship the first beast, whose deadly wound was healed. 13 He performs great signs, so that he even makes fire come down from heaven on the earth in the sight of men. 14 And he deceives those who dwell on the earth by those signs which he was granted to do in the sight of the beast, telling those who dwell on the earth to make an image to the beast who was wounded by the sword and lived. 15 He was granted power to give breath to the image of the beast, that the image of the beast should both speak and cause as many as would not worship the image of the beast to be killed. 16 He causes all, both small and great, rich and poor, free and slave, to receive a mark on their right hand or on their foreheads, 17 and that no one may buy or sell except one who has the mark or the name of the beast, or the number of his name. 18 Here is wisdom. Let him who has understanding calculate the number of the beast, for it is the number of a man: His number is 666.” Revelation 13:11 - 18.

There are a number of interesting observations to be made here which really give clarity around who this person is and his agenda.

WORSHIP OF THE ANTICHRIST

Firstly this individual's primary purpose through the power of the supernatural or advanced technology is to captivate the earth masses so that they worship not him but the first beast associated as the Antichrist. **IMPORTANT POINT** (Verses 12-13).

CREATION OF THE IMAGE OF THE BEAST

Secondly this individual's role is to lead the creation of an image of the Antichrist. From a high level perspective we believe it could be some form of avatar coinciding with what is known as the Singularity. A time where mankind achieves a breakthrough in the ability to transfer consciousness from one body to a host donor. The ultimate aim of the transhumanist agenda. The scripture states that the image actually speaks and causes the world to be astonished in seeing that a replica of the Antichrist actually has consciousness. (Verses 14-15).

CREATION OF A NEW FINANCIAL SYSTEM

The third role of this individual is that he is also involved in the creation of a financial system which involves the world population being marked with some form of technological device that can be scanned in order for the population to be able to buy or sell. This could allude to the existing technology of microchip implants or tattoos. (Verses 16-17)

The combination of these three objectives is one of the reasons why some researchers believe he is actually more of a technology leader (rather than a religious leader), who by possibly combining the supernatural with advanced forms of technology is able to create platforms, processes and scenarios that literally baffle the intellectual mind.

However his title as the False Prophet is not mentioned until Revelation 16:13, Revelation 19:20 and Revelation 20:10 which clearly identify that the two beasts mentioned in Revelation 13:1 and Revelation 13:13 are individuals because of the personal pronouns attached in all these passages as you will now see.

THE FALSE PROPHET OF REVELATION 13:13

“And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet.” Revelation 16:13.

“And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone.” Revelation 19:20.

“And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet are, and shall be tormented day and night for ever and ever.” Revelation 20:10

What is pretty important for you to understand here is that the False Prophet and the Antichrist work together and are cast into hell together where they are joined at a later time by Satan himself. Satan, the Antichrist and the False Prophet are essentially a satanic trinity.

THE STRUGGLE FOR WORLD POWER

Hopefully you have followed us so far because this next section is really where the rubber hits the road.

Revelation 13 has described the Antichrist as being a world leader and the False Prophet as a technology leader. However John's vision in Revelation 17 then introduces a new power which is an ecclesiastical religious power known as “Mystery Babylon”.

“And I saw a woman sitting on a scarlet beast which was full of names of blasphemy, having seven heads and ten horns. 4 The woman was arrayed in purple and scarlet, and adorned with gold and precious stones and pearls, having in her hand a golden cup full of abominations and the filthiness of her fornication. 5 And on her forehead a name was written: MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND OF THE ABOMINATIONS OF THE EARTH.” Revelation 17:3 -5

Mystery Babylon is the name given to an entity that has remained in existence for thousands of years since the days of Nimrod and his wife Semiramis. Whilst for centuries appearing in many forms and guises across the world religions, this spirit in the last days also appears in a physical and ecclesiastical form residing in a city known as the city of seven hills, Rome.

“9 “Here is the mind which has wisdom: The seven heads are seven mountains on which the woman sits.” Revelation 17:9

The seven hills of Rome (east of the river Tiber) form the geographical heart of Rome, within the walls of the ancient city. The seven hills are:

Aventine Hill (Latin, Aventinus; Italian, Aventino) Caelian Hill (Caelius, Celio), Capitoline Hill (Capitolium, Campidoglio) Esquiline Hill (Esquilinus, Esquilino) Palatine Hill (Palatinus, Palatino) Quirinal Hill (Quirinalis, Quirinale) and Viminal Hill (Viminalis, Viminale)

At this juncture I would like to add that there are other views on this. Some believe this woman symbolizes Islam and others believe it represents Jerusalem etc. However whilst we may disagree on the specifics, it is safe to say we would all be in agreement that this harlot symbolizes a final prophetic form of apostate Babylonian religion.

What is more significant is that the woman symbolizing this religious power is sitting on the same beast already mentioned in Revelation 13.

“So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns.” Revelation 17:3

“And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.” Revelation 13:1

In Revelation 13 the woman is conspicuously absent but in Revelation 17 it is clear she has some relationship with the first beast of Revelation 13 identified as the Antichrist and his global empire.

In order to understand the full implications of this it would be useful to make reference to a publication that was released in 1990 by former Jesuit, Malachi Martin called the “*The Keys of this Blood*”. This book is one of the greatest publications to expose the significant power struggle taking place within the Vatican as a wave of liberal bishops seek to uproot the Catholic Church from its Orthodox heritage in

THE FALSE PROPHET OF REVELATION 13:13

seeking to propel the Church forward as a dominant power on the changing world scene.

A main objective put forward by Martin was that the Vatican in the early 1990s was bracing itself for a geopolitical struggle with Russia and the United States for control of the new world order.

If one was to look at the influence of the Vatican today you would be astonished at the level of control and influence they have on the world scene. Not only is the Vatican colluding with the Franco German ideology of creating a Holy Catholic Roman Empire through the apparatus of the European Union but the Vatican is a significant geopolitical in Central and South America giving it full and unlimited access to two massive trading blocs (Europe and Latin America) as well as holding a significant foothold in parts of Africa and Asia.

Revelation 17 describes that this religious entity symbolized as a harlot is supported by the Antichrist and his political kingdom in a mutual relationship but then in Revelation 17:15-18 something startling happens.

A DESTRUCTIVE ENDING

"15 Then he said to me, "The waters which you saw, where the harlot sits, are peoples, multitudes, nations, and tongues. 16 And the ten horns which you saw on the beast, these will hate the harlot, make her desolate and naked, eat her flesh and burn her with fire. 17 For God has put it into their hearts to fulfill His purpose, to be of one mind, and to give their kingdom to the beast, until the words of God are fulfilled. 18 And the woman whom you saw is that great city which reigns over the kings of the earth." Revelation 17:15-18

This is an incredible piece of biblical prophecy so

lets break it down.

Verse 15: states that the power of the harlot at this specific point in time is truly and fully global because of her geographical reach.

Verse 16: The ten kingdoms which form the power base of the Antichrist political kingdom will turn against the harlot and destroy her.

The reason why? See verse 17.

Verse 17: Because they decide to unite their resources, support and agendas 100% with the Antichrist. Up until this time these ten kingdoms are supporting both the Antichrist and the religious harlot system but there comes a point where they decide to destroy the harlot as a means of confirming their absolute surrendering of power and control to the Antichrist.

"12 The ten horns which you saw are ten kings who have received no kingdom as yet, but they receive authority for one hour as kings with the beast. These are of one mind, and they will give their power and authority to the beast." Revelation 17: 12-13

Verse 18: This verse then confirms that the harlot represents a City which up until the time of its destruction was ruling over the kings of the earth. Not a country or nation but a City.

ST MALACHY TIES IN WITH REVELATION 17

Now look at St Malachy's prophecy.

"In the final persecution of the Holy Roman Church there will reign Peter the Roman, who will feed his flock amid many tribulations, after which the seven-hilled city will be destroyed and the dreadful Judge will judge the people. The End."

The prophecy of St Malachy also suggests that Rome will be destroyed. Also note that the judge in this prophecy could be in reference to the biblical Antichrist who takes full world control after

the religious power is removed or it could be in reference to the coming of Jesus Christ which

THE FALSE PROPHET OF REVELATION 13:13

marks the end of all things shortly after the destruction of Rome.

It is important to add the prophecy of St Malachy cannot be treated as scripture and we do not need St Malachy's "*prophecy of the popes*" to justify Revelation 17. However if we assume there is some credibility to St Malachy's "*prophecy of the popes*" (yes we know the history and the forgery that took place with parts of the original document) because of the accurate predictions over the last several hundred years of the more recent popes (after the forgery of the earlier historical succession of popes) then we could make the following statements.

1. Firstly the final pope known as Peter the Roman or Petrus Romanus could never be the False Prophet as this marks a significant contradiction where the Antichrist would turn against the False Prophet. Remember we have already earlier provided significant biblical evidence that the Antichrist and the False Prophet work together. The emergence of the False Prophet is not to take over a religious structure but to direct worship towards the Antichrist and his image (not to himself as some claim about the papacy).

2. Secondly, St Malachy says that whilst the Roman Catholic Church undergoes persecution that leads to its final destruction, that Peter the Roman will continue to be a shepherd and icon of comfort and hope to the millions of people under his leadership. This conveys a leader who still tries to lead despite realizing that the power he has is coming to a catastrophic end. This in no way denotes someone who is false and is turning against the very structure he is leading.

However we will also assert that conveying Peter the Roman as one who cares about his people does not mean that we are saying he will be a leader of Christian truth. The bible calls the harlot in Revelation "Mystery Babylon" indicating that the heart of its ideology is false and deceptive.

3. Revelation 13 and Revelation 17 are referring to different individual powers. The False Prophet in Revelation 13 has no biblical linkage to the

harlot of Revelation 17 which is a representation of a religious system which we believe to be Rome (but as previously stated some believe it is Islam or apostate Israel). The only link between Revelation 13 and Revelation 17 is that the harlot is supported by the same political kingdoms that are the core of the Antichrist new world order as we see a reference to a beast with ten heads and seven horns in both Revelation 13 and Revelation 17.

These three points are so clear that we simply cannot understand why reputable authors and bible prophecy teachers are carelessly associating the False Prophet as the leader of Mystery Babylon when the Antichrist then seeks to destroy Mystery Babylon.

The Antichrist cannot turn against the False Prophet because they are both part of the Satanic Trinity. Furthermore for those who use St Malachy's prophecy to justify the Pope as the False Prophet, the prophecy clearly shows that this final Pope (Peter the Roman) is there till the very end, supporting and offering comfort to the millions under his leadership during traumatic times.

Correlating St Malachy's prophecy with the book of Revelation clearly dispels the thousands of articles and websites that have jumped on the bandwagon of Peter the Roman being the prophesied False Prophet. According to St Malachy, the final pope "Peter Romanus" would actually be the defender of the church.

THE FALSE PROPHET OF REVELATION 13:13

A TECHNOLOGY LEADER

In Old Testament times the purpose of the prophet was to affirm the sovereignty of the King and provide revelation to assist the leadership of the King.

In Revelation 13 we see that the key aim of the False Prophet is to direct attention, focus and worship to the Antichrist. This is done through technology. But no ordinary technology.

But we also have to bear in mind that he will not just be another Bill Gates or Steve Jobs. Revelation 16:13-14 confirms he will not just be an ordinary man but a man heavily linked to the supernatural.

“13 And I saw three unclean spirits that looked like frogs, coming from the mouths of the dragon, the beast, and the false prophet.14 These are demonic spirits that perform signs and go out to all the kings of the earth, to assemble them for battle on the great day of God, the Almighty.”

Producing incredible phenomena such as calling down fire from heaven (Revelation 13:13-14), creating some form of artificial intelligence (Revelation 13:14-15) and the creation of a global financial world system which will incorporate tracking technology embedded within the body of those who go ahead with it. (Revelation 13:16-17). All 3 key functions scream technology do they not?

CONTEXTUALIZING THE POSITION OF JOHN

It's probably key here to contextualize the revelations of John in the fact that being thrust thousands of years into the future, he would not have been able to differentiate the difference between what would be deemed

to be the supernatural in contrast to what we see as advanced technology.

Whilst there is a very thin boundary between the occult and advanced technology it is important to note that John's frame of reference

for understanding who the False Prophet was would have naturally been akin to seeing him as a religious figure like the prophets of Baal rather than a leader of technology.

Certainly what John saw in his vision had no association with the Roman engineers who created the Coliseum in Rome or created weapons for the Roman legions to crush and dominate.

Therefore we would not expect John to speak of him as a technology leader, yet in our modern world with all the incredible technological and scientific developments, we can clearly see the modern developments which naturally fulfil all the functions of the false prophet.

Calling down fire from heaven (holographic technology?)

Creating an image that can speak (nanotechnology/artificial intelligence?)

Creating a world financial system that enslaves everyone (RFID microchip, electronic tattoos etc.)

Maybe, just maybe, instead of thinking that the False Prophet will be a man of the cloth emerging from a religious institution, we should be looking for a man in a suit emerging from the technology and banking sector with the credentials to unite and synergize 3 forms of technology for the sole purpose of enslaving mankind and propelling the man of sin?

What do you think?

As to what we think of Pope Francis and his interfaith agenda. Yes that most definitely is contributing to the emergence of Mystery Babylon in Revelation 17 as a revival of an ecclesiastical spirit whose geopolitical base of power we believe will be Rome.

But this piggy backing of the final stages of one world government will be temporary as God will use the very same entity she is riding to turn against and destroy her as his way of affirming judgement on an institution which has been guilty of crimes for many centuries.
